**Wonderful! Extraordinary!! & Miraculous!!**

**CONSUMPTION CAN BE CURED!**—And we defy the whole world to produce such strong and undoubted testimony from men of such high standing as we have, in favor of **DR. ROGERS' LIVERWORT AND TAR**, in curing consumption, and breaking up the most distressing cough in a few hours time.

**Consumptives, Despair not—there is Hope, even for the Dying!**

This is to certify that some time since, I was taken with a pain in my side and breast; I called in the aid of several physicians, but they failed to give me any relief, and for the space of one year I grew rapidly worse. In addition to this, I was attacked with a violent cough; although an excellent physician lived in the same house, and used the greatest exertion, and paid the strictest attention, it baffled all his skill—two others were called in, one of which was an aged and skillful physician, but all their efforts proved alike unavailing. At last, a physician who was attending a cam meeting in the neighborhood, came to see me, and declared that I could not last more than one day longer; also, all the vast number who came to see me, believed that a few days at most would end my earthly career. My friends were now called in to see me die! But my brother, at this crisis, (hearing of the astonishing cures performed by Dr. Rogers' Compound Syrup of Liverwort and Tar) went to Chillicothe and back, a distance of sixty miles, in thirteen hours, to get some of the above medicine; I commenced taking it, and strange to tell, before I had used half a bottle, the cough was entirely cured; from this time I recovered rapidly, and when I had used two bottles, I was able to assume my family avocations as usual. I am fully satisfied that if it had not been for this excellent medicine, I would now be in my grave, and must, in justice, say that I truly return my sincere thanks to the inventor of this priceless medicine, and would recommend all persons afflicted with diseased lungs, to give it a trial.

**OLD VIRGINIA AGAIN!**  
Albion Co., Va.  
March 21, 1847.

Mr. Seth W. Fowle—Dear Sir:—I take pleasure in stating to you my experience in the use of Wistar's Balsam of Wild Cherry. I own a very valuable negro girl, who was attacked with a difficulty of the lungs, which brought her in appearance to the brink of the grave. I consulted some of our best physicians, who pronounced her case incurable, or that they could do no more for her. I tried many remedies but none did any good. I saw some account of Wistar's Balsam, and thought I would try it, but had little faith in it. I procured a bottle, which was administered according to directions, and I saw she began to mend; and before the first bottle was gone she was up. I procured a second bottle, and she took that, and now she is, I think, cured, or nearly so. She attends to her daily labor, and I hear no complaints from her.

**R. L. JEFFERSON.**

**Consumptive Patients!**—Will please read the following statement from the **Harrison Gazette**:—The credulous are invited to read the following note from Rev. Mr. Coldron, whose character for truth and veracity is above suspicion, and have their doubts dispelled to the superiority of Wistar's Balsam of Wild Cherry, over all other remedies now before the public of the same character:

**CORVON, Ind., Jan. 28, 1848.**

It is no less a duty than a pleasure to state, for the benefit of the afflicted, that I consider Wistar's Balsam of Wild Cherry a great blessing to the human race. Having tried it in a case of severe affliction of the lungs, I unhesitatingly recommend it to those similarly afflicted, as the best remedy I have ever tried, and one which cured me when physicians said I must die, and when I thought myself that my time to depart was near at hand.

**WM. COLDRON.**

**CAUTION.**—To guard against a serious imitation of Wistar's Balsam, put up in Philadelphia by one **W. M. Spear**, the genuine has the names of **Henry Wistar, M. D., Philadelphia**, and **Samuel Park** on the fine steel engraved wrapper, without both of these names, it is positively counterfeit.

**DR. HENRY BLAKESLEY & Co., S. W. corner of 3d and Chestnut streets, sells the above medicine. Price \$1 per bottle.**

**The Great POPULAR MEDICINE.**

*Of the Day—Fast amount used per month—The numerous and wonderful cures it effects—Its magical effects upon Bilious Fevers and Fever and Ague—Great Excitement among the Doctors.*

**THE INDIAN QUEEN VEGETABLE** Sugar Coated Pills are now admitted, on all hands, to be the most extraordinary and valuable medicine in general use. It not only acts as a specific upon the Bilious and Typhus Fevers, Chills and Fever, and Fever and ague of the west and south, but in all diseases of debility, weak stomach, indigestion, loss of appetite, impurity of the blood, and all diseases prevalent in a western and south-western climate. Their great power consists in their peculiar effect upon all the organs of the system, and the rapid formation of new and rich blood, which they produce. In this lies the great secret of their success.

They are mild and pleasant in their action, but searching and permanent in their effect, penetrating the remotest recesses of the system, by their ready absorption into the blood, thereby infusing a new supply of vitality and nervous power into the machinery of life. The extensive popularity they have acquired all over the west and south, ensures the sales of at least **Fifty thousand Boxes a month.** And we find it difficult, with our large force of hands, and the late improvement in machinery, which we have adopted, to manufacture them fast enough to supply the demand in the thirteen western and southern States. One large manufactory is constantly engaged in preparing the various concentrated extracts of which they are composed. From the best information we can obtain from our 6,000 selling agents, and hosts of attentive correspondents in all parts of the country, our medicine cures, per month, not less than 10,000 cases of Fever and ague, (1000 of which resisted all other treatment; 4,500 cases of bilious fever; 5,200 cases of weakness & general debility; 2,500 cases of various chronic diseases; 1,000 cases of weak stomach and loss of appetite; 800 cases of dyspepsia; 1,200 cases of rheumatism; 1,000 cases of female complaints; 1,200 cases of ague cake, or enlarged spleen; 1,500 cases of liver complaint; 500 cases of scarlet fever; 400 cases of typhus fever; 300 cases of sore throat.

This must appear almost incredible, but the numerous letters from physicians, agents and those who use the medicine, from all the western and southern States, satisfy us that this is a moderate estimate, and that our medicine is rapidly taking the place of the various sugar coated counterfeits, which are about, and the numerous **tonic mixtures**, made wholly of **quinine**, which are imposed upon the public by manufacturers who live, **nobody knows where!**

Dr. Bragg's famous Sugar Coated Indian Queen Vegetable Pills, are of two kinds—the Cathartic and Tonic. The Tonic Pills are peculiarly adapted to the quick and permanent cure of Fever and ague, Torpor of the Liver, and General Debility. It is in fever and ague, chills, fever, &c., that they achieve their greatest triumphs. It rarely requires over 12 hours, or more than half a box of the Tonic Pills, to break the chills and effect a permanent cure—which is rarely the case with the tonic mixtures of quinine, hawked about the country by ignorant pretenders. Those who take the Tonic Pills once will never forsake them.

Who can wonder, then, that a medicine of such extensive popularity and extraordinary virtues should cause great **Excitement among the Doctors!**

The prejudices of physicians against their use are at last giving way to the play of reason, and the convictions of every day experience which they derive from their patients and friends who use them. Doctors are now almost every day sending orders from every part of the country, for a supply of the Pills, to use in their practice.

**JOHN J. GRINSTEAD, }

EMILY R. GRINSTEAD, }**

**ON** the 1st day of November, A. D. 1848, the said complainant filed in the Clerk's office of the Henry Circuit Court, a Petition for a Divorce, alleging that his wife, the said Emily R. Grinstead, about the 1st day of November, 1845, wilfully left his bed, board and house, and abandoned and wilfully deserted & absented herself from the said Petitioner, without a reasonable cause, for two years and more, which facts so alleged have been duly sworn to according to law, and also that the said Petitioner has filed an affidavit showing that said Emily R. Grinstead is not a resident of this State.

Therefore it is ordered that the said Emily R. **Dr. E. EASTERLY'S Medicated Strengthening Plaster**

**THIS** plaster has been prepared under the immediate eye and superintendence of an old physician, who is a graduate of the University of Pennsylvania, and has had extensive practice for more than 20 years in treating the various diseases incident to this country. He confidently recommends this Plaster, from a thorough knowledge of its virtues, to be superior to every Plaster now in use. By keeping up a gentle perspiration, it is admirably adapted for Pains or Weakness in the Breast, Side, Back or Limbs; also, for the Gout, Rheumatism, Enlargement of the Spleen, Liver Complaint and Dyspepsia, and for Coughs, Colds, Asthma, Difficulty of Breathing, Oppression of the Stomach, &c. To all persons predisposed to Consumption, or who are subject to violent coughs and colds, they are particularly recommended—as they give almost immediate relief, and for pleasantness, safety, ease and certainty, they are decidedly superior to most other remedies.

Persons afflicted with any of the above diseases will find Dr. Easterly's Medicated Strengthening Plaster much superior to any other ever before offered to the public. Physicians, druggists and dealers in Medicines, will find it to their interest to keep a supply of these valuable Plasters on hand to accommodate their patrons.
